Dear Elizabeth and Bill,  
Just a few lines to thank  
you both for your kind letter  
of Feb 29, which I received  
today on my return from  
Menton.

I was sorry to learn that  
Bill has trouble with his  
digestive tract. But I do  
hope that it will be  
possible for you to receive  
a short visit from me.  
Here we have fine weather  
but it is still a little  
chilly. In Menton it was  
fine!

With affectionate regards  
Your old friend Boris.
